## Mission Statement

“We, the family of St. Paul Parish, live the gospel message of Jesus Christ through worship, education and outreach to all ages. We strengthen our parish and community, respecting our rural traditions, while welcoming the growth and cultural diversity that awaits.”

### Vocation Corner: The Little Things Rev. Keith Romke

In her writings, Saint Teresa of Avila spells out many things that can get in the way of our progress in holiness. Amongst many pertinent points she includes that resisting to do God's will in the day-to-day little things that He calls us to quickly becomes a major impediment to spiritual growth. It may not seem like a big deal, but every day God gives us little inspirations that may seem so tiny and insignificant that we hesitate to follow them. Of course, this whole time we are praying and asking God for the courage and the strength to say yes to His will in big, heavy, and life changing ways! The truth of the matter is that each time that we resist a small inspiration, we are in fact taking a small step backwards, away from what God is calling us to do. If we add together all the times that we do this and then step back to take a look, I think that the distance that we place between ourselves and God could be quite alarming! However, if we continue to say YES to God, to get up immediately and to follow where He calls in little ways, then when we add all of this up and take note of it, it is amazing to see just how close we come to the final goal of being where God calls us and wants us to be! So Say Yes to God in the little ways and know that this will make a big difference in your life!

### **Just 5 Minutes a day!**

We are looking for a couple of folks to fill some open Mysteries in our program. If you have ‘five minutes a day’ you could spend saying one Decade of the Rosary PLEASE give me a call.

Mary has requested that we say the Rosary. In this program you and 19 others each day say one Decade of the Rosary. That way a full 20 Decades is said every day. We have almost 100 people in this program here at St. Paul's. We need just a couple more to fill in some empty Decades. If you are already a member and could say a second Mystery PLEASE give me a call. Jerry Fuzak at 815-498-1776 or [jfuzak@gmail.com](mailto:jfuzak@gmail.com). Thank you.
